

SUMMARY

Transition year student at Rath Dara Community College with academic focus in biochemistry and herpetology. Demonstrated strong science performance through measurable course results. Pursuing future work in biological sciences and toxinology.

SKILLS

- Problem Solving
- Teamwork and Collaboration
- Video Editing and digital content creation
- Communication
- Computer skills and basic coding (python)
- Organization and Time Management
- Willingness to learn
- Species identification and biological classification
- Calm under pressure
- Health and safety awareness
- Deadline management

EXPERIENCES

INDEPENDENT REPTILE & VENOM RESEARCH

Personal Research Project / 2026

- Independent research into snake species, venom composition, and toxin biology.
- Developed knowledge of 75+ snake species, including classification and identifying characteristics.
- Researching how venom toxins can be used for medicine.

TY Computer Science Programme

Rath Dara CC / 2026

- Selected to participate in a TY computer science programme
- Currently am developing skills in Python, micro:bit and basic programming.

AREAS OF INTEREST & PROJECTS

Herpetology & Venom Toxinology

-
Deep personal interest in the biological study of venomous reptiles and the molecular evolution of toxins. Interested in research regarding how venom can be used for modern life saving medicines.

Pharmaceutical Science & Biochemistry

-
Strong focus on chemical applications and pharmacology. Currently preparing to complete a practical Transition Year work placement with the local pharmacy to gain knowledge on clinical environments.

EDUCATION

Rath Dara Community College | Dublin

Junior Cycle - 2023-2026 (awaiting results). - Currently in Transition Year (TY)

- Track record of high academic performance with distinctions in science, geography, French and mathematics multiple times.

ACCOMPLISHMENTS AND AWARDS

Student of the Year (Consecutive Winner)

Awarded the top academic and character prize out of the entire year group for three consecutive years (1st, 2nd and 3rd) at Rath Dara Community College.

Attendance Awards

Received attendance awards in 1st, 2nd and 3rd year, with 0 absences recorded in 2nd year.

Golf Scholarship

Selected as a player to receive a fully funded club scholarship, including clubs, professional coaching and membership privileges until 18.
